NOTE FOR: DDCI

John, re passing on my NIO radio broadcasting chores to others, as I inherited them from Linc Gordon. In the present case, it makes sense to split the responsibilities into two parts, [redacted] and all the others: there is now no NIO/At Large to stick both sets of tasks with; and Bob Vickers [redacted] Julian Nall (all other radio matters) can in any event be much better informed referents. The attached letter is similar to the one you sent out when I succeeded Linc Gordon.
